

RivePlug

Don't waste time

Finish your wall without glue or tools in less than 5 seconds

RivePlug

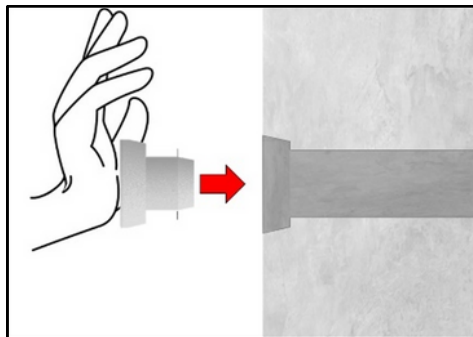

WHAT IS IT?

An **effective**, **firm** and **fast** solution to finish off your concrete walls. It stands out for its speed and simplicity in the installation, without tools, pushing with the hand, we get a firm anchorage in the hole of the wall.

WHAT DOES IT DO?

RivePlug, when pushed **by hand**, achieves a firm anchorage in the wall hole, **without glues** or **adhesives**. Installation is very quick and easy, with no tools or adhesives required, resulting in considerable savings in labor costs. It provides a clean, residue-free solution and achieves a smooth, durable finish on the wall in a matter of seconds.

It is installed in less than 5 seconds

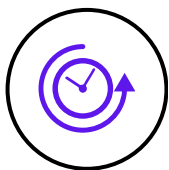

1. Insert the plug into the hole in the concrete wall easily by hand.

2. Once inside, a smooth, clean finish is obtained on the wall.
